

PRISM

PROBLEM

- ▼ **466 million** people have disabling **hearing loss**
1 in every 20
- ▼ **Most** hearing impaired adults have
the reading comprehension of 7-year olds
- ▼ **Only 4%** of the hearing-impaired students are
reading at an **age-appropriate level**
- ▼ **Difficult** education and **work-integration**
- ▼ **Lack of sign language** translators

SOLUTION

Speech-to-sign language translator app

Helps understand text and speech

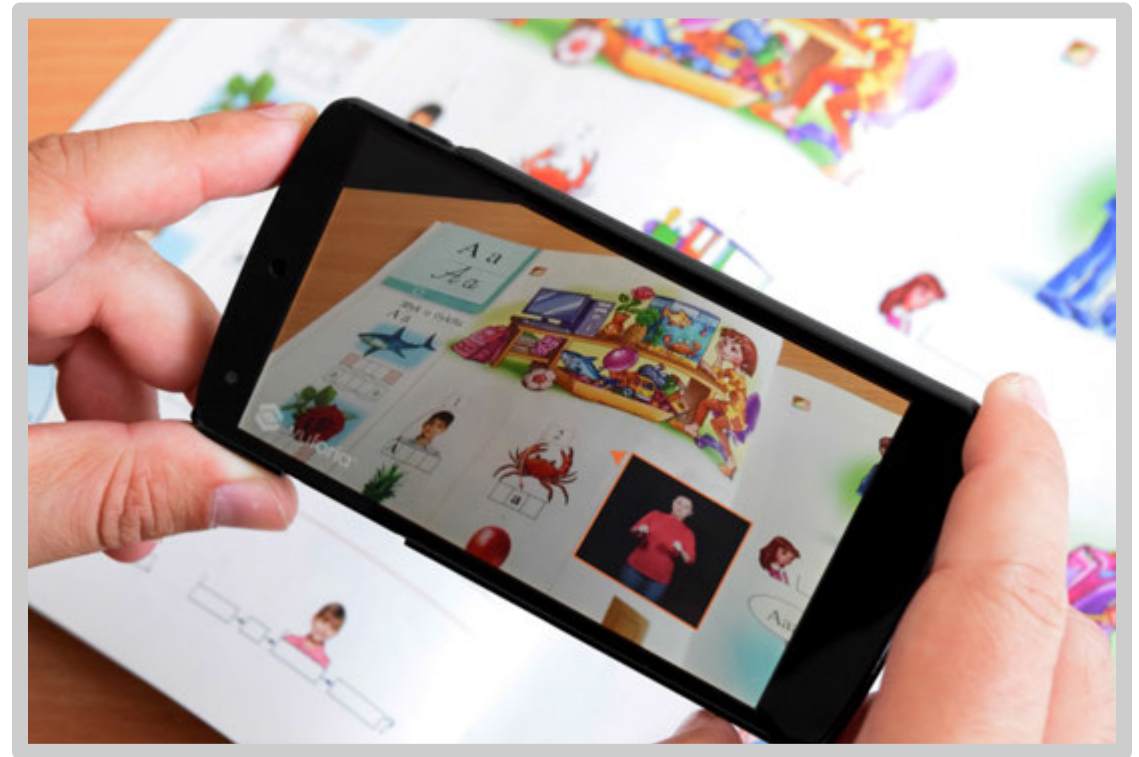

- ▼ **Text** to sign language
 - OCR
 - Text input
- ▼ **Speech** to sign language
- ▼ **Translate** to another sign-language

AR Primer app

Supports children's education

- ▼ Augmented Reality
- ▼ Learn sign language
- ▼ Learn **written** language
- ▼ Educational **games**

BUSINESS **MODEL**

B2G & Corporate Social Responsibility

- ▼ Governments
- ▼ NGOs
- ▼ Private sponsors
- ▼ Donations
- ▼ Paid Corporate Solutions

Thank you!
